**NARRATIVE:**

Frias is a multi-state offender with priors in the states of Idaho and Arizona. His criminal history began at the age of 19 years old and includes armed robbery, carrying a loaded firearm, theft and possession of controlled substances. He is a documented member of the "18th street" gang, released most recently from state prison to the supervision of the Los Angeles County Probation Department on July 06, 2012 after serving a term for carrying a loaded firearm. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2012 after Frias absconded from post release community supervision (PRCS). Frias qualified to be released to the supervision of probation, under AB 109, because his current commitment offense is defined as non-serious and non-violent under the California penal code. His prior history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
